15<sup>th</sup> February 2018

Dear Parents/Carers,

- **Parents' Evening...** Thank you to all those parents who were able to attend on Monday. If there are any parents who were unable to make it, but would like to see their child/ren's work or speak to the class teacher, please contact school and we will arrange something.
- **Plastic Project!!!** KS2 have been set a challenge for homework over the half term holiday: to make something useful out of waste plastic. There are some great ideas on the internet. They can bring their item into school after the holiday; there may be chance to display some of the items at the forthcoming STEM day at Mary Webb School.
- **Recycling...** We have been let down by Devises, but have arranged for Bags2School to collect the clothes that you have donated, on Tuesday 27<sup>th</sup> February. Therefore, if you have any unwanted clothes or textiles you can bring them in before then. Please see the attached leaflet to see what they will accept.
- **School bus!!!** It has been brought to our attention that there has been some unacceptable behaviour on the school bus. The children have been reminded of the rules, and that they MUST sit in the back of the bus, unless it is full, in which case the oldest child may sit in the front. They must not open any window on the bus or taxi.
- **World Book Day...** This is on Thursday 1<sup>st</sup> March. We would like the children to come to school in their pyjamas/night attire, bring a cuddly toy and a favourite bedtime story to share with others. For the older children, this may be a book they are part-way through reading. Participation is voluntary.
- **Borth Residential!!!** There are some outstanding deposits for this trip. Please can you pay your deposit by School Money ASAP ( Years 2,3 and 4).
- **Access to school...** People are repairing the ramp. Please continue to use the classroom doors to access school, we will let you know when we can use the front door again. You may see people around school over the half term holiday, this is due to various maintenance work that will be happening during this time. Please do not let your child/ren play on the school playground during the half term holiday: vehicles will be using the playground, scaffolding will be in place and ongoing work will make it a dangerous place for children to be.
- **Customer Satisfaction Survey!!!** If you would like to fill in a customer satisfaction survey about Shire Services school dinners, please follow the parent link: <https://www.surveymonkey.co.uk/r/shireservicesparents2018>
