	<p>makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.</p>	
<p style="text-align: center;">Knights and Castles</p> <ul style="list-style-type: none"> * British Values * William the conqueror * Battle of Hastings * Medieval feast (parents day) <p>History</p> <ul style="list-style-type: none"> * the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods [for example, Elizabeth I and Queen Victoria, Christopher Columbus and Neil Armstrong, William Caxton and Tim Berners-Lee, Pieter Bruegel the Elder and LS Lowry, Rosa Parks and Emily Davison, Mary Seacole and/or Florence Nightingale and Edith Cavell] <p>Art</p> <ul style="list-style-type: none"> * to use a range of materials creatively to design and make products * to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination * to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space * about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work. 	<p style="text-align: center;">Mini Beasts to Mighty Beasts</p> <ul style="list-style-type: none"> * biomes differences sorting and classifying * Non-chron report on animals * Aboriginal art/music * Henri Rosseau – Tiger in a tropical storm * Camouflage and pattern (zoom in on different animals) * Charles Darwin * Similarities and differences UK Local and /Australia <p>Geography</p> <ul style="list-style-type: none"> * identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles <p>Art</p> <ul style="list-style-type: none"> * to use a range of materials creatively to design and make products * to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination * to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space * about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work. 	<p style="text-align: center;">Great Outdoors</p> <ul style="list-style-type: none"> * art day * Andy Goldsworthy <p>Geography</p> <ul style="list-style-type: none"> * use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment. <p>Art</p> <ul style="list-style-type: none"> * to use a range of materials creatively to design and make products * to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination * to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space * about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

On-Going Curriculum

Design and Technology

Design

- * design purposeful, functional, appealing products for themselves and other users based on design criteria.
- * generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.

Make

- * select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing].
- * select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.

Evaluate

- * explore and evaluate a range of existing products.
- * evaluate their ideas and products against design criteria.

Technical knowledge

- * build structures, exploring how they can be made stronger, stiffer and more stable.
- * explore and use mechanisms [for example, levers, sliders, wheels and axles], in their products.
- * use the basic principles of a healthy and varied diet to prepare dishes.
- * understand where food comes from.

Music

- * use their voices expressively and creatively by singing songs and speaking chants and rhymes.
- * play tuned and untuned instruments musically.
- * listen with concentration and understanding to a range of high-quality live and recorded music.
- * experiment with, create, select and combine sounds using the inter-related dimensions of music.

ICT

- * understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions
- * create and debug simple programs
- * use logical reasoning to predict the behaviour of simple programs
- * use technology purposefully to create, organise, store, manipulate and retrieve digital content
- * recognise common uses of information technology beyond school

* use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

Physical Education

* master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities.

* participate in team games, developing simple tactics for attacking and defending.

* perform dances using simple movement patterns.

* swim competently, confidently and proficiently over a distance of at least 25 metres.

* use a range of strokes effectively [for example, front crawl, backstroke and breaststroke].

* perform safe self-rescue in different water-based situations.
